Organization Overview:

Cherokee Health Systems has served East Tennessee healthcare needs for more than 45 years. Their goals are to create a safe environment for developing a drug and alcohol-free lifestyle; to provide education about addiction; to provide support for the individual and his/her loved ones; and to develop a realistic personalized recovery plan at the completion of the program. Cherokee Health Systems believes that family involvement is necessary to help members overcome addiction, and education and support is offered for family members who are impacted by one's addiction.

Fax: 865-602-2039
Contact: Janet McCracken

Agency Type:	Non Profit
Clients Served:	Females
Service Areas:	Tennessee
Forms of payment and terms:	Self pay
Is Agency on TennCare?	No
Services Provide:	

- Inpatient to young pregnant women with substance abuse problems
- Assessments
- 12 Step groups
- Dual Diagnosis
- Relapse Prevention
- Pregnancy support and education
- Aftercare
- On site school and GED program

Brief Overview: A combination of traditional drug and alcohol treatment with counseling and education provides clients with an individual program for treatment and support. We provide special services to pregnant teens who have significant involvement in the abuse of ATOD to help break the inter-generational cycle. Emphasis is also put on aftercare follow up with the new mother as these young women are at risk of falling back into their addictive patterns.
